Patient Instructions and Responsibilities

ASGE Quality
ENDOSCOPY UNIT RECOGNITION PROGRAM

Recognized by the American Society for Gastrointestinal Endoscopy for promoting quality in endoscopy.

PRIOR TO YOUR PROCEDURE

It is very important that you know and understand your medical insurance benefits. Your medical insurance is a contract between you and your insurance company. The policy spells out the responsibilities of each party. We urge you to contact your insurance carrier to obtain benefit information prior to your procedure. As a courtesy to you, it is our policy to bill your insurance company.

Our staff will verify your insurance coverage approximately one week prior to your scheduled procedure. Insurance plans vary considerably and while we verify your coverage, we cannot predict or guarantee what part of our services will or will not be covered by your particular insurance. You are ultimately responsible for all medical expenses. If co-pay is required, you will be notified by our staff.

Leave all jewelry, contact lenses and other valuables at home. Please bring your eyeglasses, if applicable. Burlington County Endoscopy Center cannot take responsibility for safeguarding your personal items.

Patients must bring a responsible adult escort 18 yrs or older and plan to be at the Center for approximately 2 – 2½ hours from the time of check in to discharge. A comfortable waiting room is available. Please plan ahead for your escort to **remain** for the duration of your visit.

Please make arrangements for child care in advance. The reception and waiting area and recovery room are not designed to accommodate small children.

Please limit the number of persons who accompany you to Burlington County Endoscopy Center on the day of your procedure to two persons.

If you have any questions regarding taking medications prior to the procedure, please contact your physician at Virtua Gastroenterology Lumberton, 609-265-1700.

DAY OF YOUR PROCEDURE

Please sign in at the reception desk at your scheduled arrival time. You will need your **insurance card(s), driver's license or other photo ID and co-pay (if applicable), on the day of your procedure.**

Co-pay is due at the time of service. Cash, check or credit card (Visa, MasterCard, Discover, American Express) are accepted.

Bring your list of current medications including vitamins, herbal supplements and over the counter medications. Include dosages and how often you take them.

Bring a list of allergies including allergy to latex (rubber).

Following registration you will be escorted to the clinical pre-procedure area where you will change to a patient gown. A nurse will review your medical history and take vital signs. An anesthesiologist will discuss your anesthesia plan with you.

Female patients: Be prepared to provide a urine sample during the clinical admission process. All female patients age 50 and under will have urine pregnancy test performed prior to beginning any endoscopy procedure.

Burlington County Endoscopy Center is a freestanding ambulatory surgical center and is licensed by the New Jersey Department of Health and Senior Services and accredited by the Accreditation Association for Ambulatory Health Care.
